PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant respectfully requests that the holding of abandonment for the subject application be withdrawn. A notice of abandonment mailed March 31, 2004 improperly indicated that no formal drawings were received prior to the due date of February 3, 2004. These drawings along with the issue fee were filed by Applicant on January 5, 2004.

Enclosed with this petition is a copy of the Letter to the Official Draftsman along with the 3 sheets of formal drawings. The letter includes the proper certificate of mailing stating that the letter was deposited with the United States postal service on January 5, 2004.

60298-038

Further, enclosed is a copy of the Post card receipt dated as received by the Patent office on January 12, 2004. The Post card receipt indicates that the Issue Fee transmittal, letter to the official draftsman and 3 sheets of formal drawings were received by the Patent office on January 12, 2004.

Further enclosed with this petition is a copy of the Issue Fee Transmittal also submitted on the same date. The issue fee payment was recorded on January 12, 2004 as is indicated by the Patent Application Information Retrieval system, a print out of which is enclosed.

As is evidenced by the copies of the post card receipt and the mailing certificate, the required formal drawings were submitted and received by the Patent office prior to the due date of February 3, 2004. For these reasons, and supported by the enclosed documents, Applicant requests that the application be withdrawn from abandonment and the patent proceed to grant.

Applicant believes that no additional fees are due, however, if any additional fees are required please charge our deposit account No. 50-1482 in the name of Carlson, Gaskey & Olds. If any further information is required and a teleconference will facilitate moving this case forward please contact Applicant's representative at the number indicated below.

Respectfully Submitted,

CARLSON, GASKEY & OLDS, P.C.
